Sector Definition - SGU Professional Services SIC92

SIC 1992 group (3 digit)

741: Accounting/book-keeping activities etc

744: Advertising

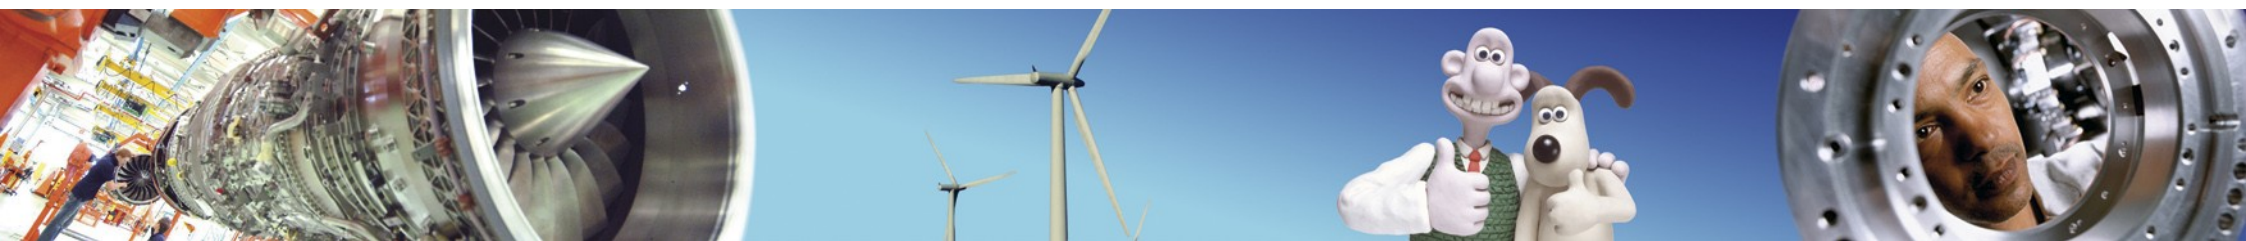

SIC 1992 division (2 digit)

67: Act auxilliary financial intermediation

73: Research and development

This sector data excludes Architectural/engineering activities etc and Technical testing and analysis (SIC 1992). These sub-sectors are included elsewhere in Environmental Technologies and Creative Industries. i.e. Architectural/engineering activities is split between Environmental Technologies and Creative Industries 75% and 25% respectively; and Technical testing and analysis is included in Environmental Technologies. In the latest year this difference would account for 500 business units.
